SUMMARY

Results-driven **Full Stack Java Developer** with 2 years of experience in designing and developing scalable, high-performance applications. Proficient in **Java, Spring Boot, and Kotlin**, with strong expertise in building **RESTful APIs** and **microservices**. Skilled in creating responsive front-end interfaces using **React.js, HTML, Tailwind CSS, and Bootstrap**. Experienced with **Git**, **Agile methodologies**, and collaborative development environments. Passionate about writing clean, efficient code and continuously enhancing technical skills to drive organizational success.

SKILLS

Java, Kotlin, Spring Boot, Microservices, REST API, GraphQL, Hibernate, JPA, PostgreSQL, React.js, HTML, CSS, Bootstrap, Tailwind CSS, Git, Swagger, Postman, JUnit, API Testing, Agile, UI/UX Collaboration, Figma, Debugging, Database Management, Data Structures, Machine Learning

WORK EXPERIENCE

KADIT Innovations | 12/2023 – present | Kadayanallur, India

➢ Developed and maintained backend services using Java, Kotlin, Spring Boot, and Microservices for Transportation and Healthcare applications.

➢ Built robust RESTful and GraphQL APIs, implementing authentication, API gateways, and exception handling to ensure reliability and security.

➢ Optimized SQL queries and applied PostgreSQL tuning to improve database performance; leveraged Hibernate ORM for efficient persistence.

➢ Designed and documented APIs using Swagger; validated endpoints through Postman testing to ensure smooth integrations.

➢ Implemented unit testing with JUnit for code reliability and coverage.

➢ Collaborated in Agile teams, participating in sprints, daily stand-ups, and code reviews.

➢ Used Git for version control, branching, and team collaboration across repositories.

➢ Acquired foundational frontend knowledge (React, Tailwind, Bootstrap) to support cross-functional workflows.

INTERNSHIP

Bluescope Information Technology (P) Ltd | 🖩 01/2023 – 02/2023 | ⚲ Tirunelveli, India

➢ Gained hands-on experience in manual and unit testing while enhancing team communication in a collaborative environment.

EDUCATION

MCA 2021 - 2023, Manonmaniam Sundaranar University, Tirunelveli
BCA 2018 - 2021, Sri Parasakthi College, Courtallam
